WE were looking for a very specific Nain rug. Thanks to Karim, we found exactly what we were looking for at a very good price. Karim showed us many many rugs while taking the time to educate us along the way. Persian Rugs Depot is an excellent choice for finding the perfect rug.

Hello Marc: We had a wonderful shopping experience with Karim yesterday. He is so knowledgeable and sincere and has a great sense of colour and decoration. He honestly evaluated the carpets and educated us on what features to consider. With his guidance we chose a beautiful quality carpet that we will treasure. I recently purchased a Persian rug from Marc of Persian Rugs Depot (August 2010). I found Marc to be courteous and knowledgeable. His web site was up to date and his follow up by e-mail and phone was exceptional. Marc gave refreshingly honest advice without any pressure tactics.
I am very pleased with my Kashan rug and plan on purchasing another one in the near future. I have recommended Persian Rugs Depot to friends and family.

"Good Evening Marc,
When I laid the carpet down in the dining room, it seemed to morph and fit into the space almost immediately. everyone that experiences the carpet loves it. The other carpet I have in the living room area has similar colours in it so they both work well together. It truly is an extraordinary carpet. I'm using the Afghani carpet in the hallway of the second floor.
It was a pleasure meeting you. Thank you very much. Let me know when you get some new items."

"Marc, I've bought 3 rugs from you, and I recommend you regularly to my friends and family. Many of my friends have spent 5 times as much on synthetic persian rugs- I'm so glad I found you and your amazing deeply discounted authentic rugs. Thanks again."

"I have just purchased my 4th rug from Persian Rugs Depot - Our home looks fabulous with all the different rugs and runners. Everyone comments on them! The quality is excellent, but perhaps more important to me is the honesty from Marc - you are the best! ... thanks for your patience and letting us decide the best rugs for our house. We even exchanged one after we brought it home because we did the wrong measurements. Once again, thank you so very much....."

We have bought four rugs from Marc. We are committed customers, in fact if our house were bigger we would have more. We've been in the stores and seen who has got what, and Marc's rugs are the best. Prices are the lowest we have seen and we have checked many stores. He also makes it fun to buy them. His knowledge and taste for what we want are a big part of buying from him. It's not like a sales circumstance, but a fascinating conversation with a friend. A very involving friend, as his love for these rugs is infectious. When the conversation is over we get to walk away with beautiful art to put on the floors of our house and enjoy every day! Thank you, Marc. You are the best!
